## Wish list tick...

The P&C are proud to announce a donation to the school of \$8,000 to purchase computers. This fantastic donation is only possible because of the efforts of the whole school community, who have contributed in so many ways to the various fund raising events we have participated in this year. Thank you to everyone for your ongoing support of our kids and wonderful school.

## Triv n Tunes...terrific, thanks!

Well, what can we say? Friday night's Triv n Tunes was a top quality night out. Thank you SO much everyone who embraced the event, came along to share the fun and made such a wonderful effort with costumes. There were some truly inspired 'T' themed costumes – Twenties, Tourists, Truckers, Trashy, Tigers, Mr Astro Turf, Mr Twister and his Tequilla sheila and of course, the glamorous Tragedian. The Tourists with Tourettes may have won the triv, and the dead from the Titanic the best dressed, but the whole room was full of winners on Friday night! Biggest thanks to Di and Paul who did a great job coordinating, to Pob for his spectacular tunes and to Neil for his promotional poster. Send your pics via PM to Victoria for our FB page. Oh, and there are a curious array of left over items in the school office for collection! Thanks everyone!
