## THANK YOU THANK YOU THANK YOU!

Thank you so much to the parents who helped prepare and serve, who shopped and cooked and baked for the VOSS Athletics Canteen fundraiser at Cavenbah centre last Friday. We made over **\$1500 profit** which is a fantastic result for a one day event. Biggest thanks to Penelope (Carita year 5) who coordinated the day and made sure it was such a success.

### TWO EVENTS TO GO

We now have two events to go for the term – we're nearly past our busiest term, so hang in there!!!

There are some families who are doing a lot and get involved every time we ask for help – thank you so much, we know that life is busy with work and kids, so we really do appreciate the time and effort that you dedicate to the school on top of all that. Coorabell relies on the money that the P&C raises to make purchases (like laptops, books, musical instruments etc) and for capital works projects, which benefit every child in the school. Because we are a small school, this means we really need every parent or carer to participate in some way – that includes mums **AND** dads!

So if you haven't yet pitched in for a P&C event, please put your name down for either the Bangalow Market cake stall or the Federal Film night - because we are short of volunteers, cakes and food donations for both those events.

**THE WORKING BEE WAS POSTPONED DUE TO HECTIC WEATHER EVENT. Stay tuned for new date.** Coordinators Simon: [smfield@hotmail.com](mailto:smfield@hotmail.com) and Lynne [westfiretwirler@hotmail.com](mailto:westfiretwirler@hotmail.com)
