

P&C News

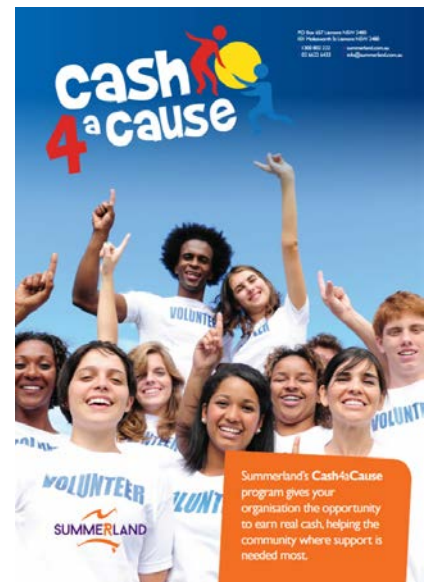

24th October, 2016

Just another huge thanks to all the school community for the generous support for the school fete, we are still finalising the tally but it looks like a good financial result and of course a day that was enjoyed by all. Also a thank you to Alex (Persia & Xavier's Mum) for running a stall for the school at the Federal Park part on Saturday!

Financial Donations from Summerland Credit Union - Cash 4 a Cause

Coorabell School P&C currently banks with Summerland Credit Union and we recently signed up for their Cash 4 a Cause program. This simple initiative is a great way to raise money to benefit our school community. There are no obligations or commitments, but simply if anyone in our community decides that one of Summerland's financial products suits their circumstance then the school could qualify for a cash donation. I understand in the first few weeks we have already qualified for a \$600 cash donation by Summerland. For more information contact Simon (P&C) or Ben (Summerland), or see flyers in the school office, this initiative is completely anonymous with no obligations.

Simon - P&C Treasurer smfield@hotmail.com

Insurance – Injury Coverage for all Coorabell School Kids

Just a reminder, Coorabell School P&C hold Student Injury Insurance coverage through the P&C Federation of NSW. This policy covers all pupils at Coorabell School 24 hours a day / 7 days a week – yes it includes coverage for accidents outside of school time. For info go to www.pandc.org.au/ or contact Simon smfield@hotmail.com or check at the school office.
