

# P&C News

Dear Parents and school community,

Welcome to term 3! We are hoping that the pace of the P&C will be less arduous this term and thank you so much to everyone who contributed to what was a pretty hectic (but financially rewarding) Term 2. We are keen to start spending some of the funds we have raised and will be asking the school to make the first wish-list purchases ASAP.

This term we are kicking off with our social event – Trivia and Tunes – this Friday night. We'll start with a couple of hours of trivia so you can mingle – we have lots of great prizes thanks to our amazing supporters - and then local sensation DJ Pob will spin a few tunes for us to dance into the evening. The best way you can help P&C with this one is to please come! BYO platter to share, booze and glasses. Due to the tight turn around to organise this one early up in term, please get your tickets ASAP so we can arrange seating. We really need at least 80 people to put this on so please book your babysitter, grab your partner, friend or family member and come along. All proceeds going towards the many new computers needed in all classrooms for our kids. It should be heaps of fun. Tickets are available from the office and you can pay online:

Thanks for your ongoing support.

## Film Night Brilliance!

Huge thanks to Shelly and Pob for their sterling job in coordinating and cooking for the Federal Film Night – and during the school holidays no less. Thanks also to the many helpers who donated food, baked cakes and slaved over a hot dish-washer on the night. It's always heaps of fun and the food was really amazing. We made just over \$1800 after costs, so another really worthwhile fundraising effort.
