Fund raising news

Aside from all the fun, laughter and amazing food the annual fete raised nearly \$6,000 for the school - a great result, so thanks again for your support. The P&C have bought a new freezer and PA system for the school – so a few more ticks off the wish list, which is fantastic.

Also we are pleased to be advised that due to our games stall and support of the BBQ & Bluegrass festival earlier this year, the festival has advised we are to receive a grant of \$1,600 for the school to support our Arts programs and resources. Big thanks to Paul, Paulo, Amy, Bobbie, Rachel, Mel, Al, Clare, Kelly, Jen, and Victoria plus all the kids who helped on this stall.

As always if parents and community members have ideas or suggestions of fundraising activities or areas you feel the P&C funds could be spent on, come and join as at a P&C meeting!

Zoning and Enrolment Issue

All parents will have received a letter from the P&C last week regarding the zoning and enrolment issues that the school is currently facing (if you didn't, please check the deep dark depths of your child's bag). The P&C is doing everything it can to ensure that these issues are resolved to our satisfaction and will be calling on the school community for support in the very near future.

Also, please note that it is important that everyone in the school community ensures we direct *all* enquiries/discussions regarding eligibility for enrolment at Coorabell directly to Mr Coghlan – that way, we know that everyone is making decisions with the correct most up to date information.
