PRINCIPAL'S MESSAGE

Congratulations to all our ICAS English participants who received their certificates in front of a very appreciative audience at last Friday's school assembly. I also presented many Spelling and Writing certificates for students who were absent on previous assemblies. Special congratulations to Gigi who was awarded a Distinction in both Writing (top 9%) and English (top 8%); Harlem a Distinction in English (top 7%) and Eden D a Distinction in Writing (top 2%). Fantastic results in a renowned competition that attracts so many academically talented international students. Well done to everyone who participated. See photos attached.

Everyone is super excited about this Wednesday's school concert. Mrs Brown and the staff are putting their final touches to this gala event. On Wednesday the children will be travelling down to the Mullumbimby Civic Hall for a rehearsal during school hours. The children then need to be outside the Mullumbimby Civic Hall at 5.30pm sharp, in full concert outfits, with the concert commencing at 6pm. Looking forward to seeing you all there!

Last Friday we held our Remembrance Ceremony in lieu of the 11th November. The level of respect displayed by our students at this ceremony was outstanding. Big thank you to Eric for his rendition of 'In Flanders Field' and Aurora for her reading of 'The Ode'. Special thank you to Yumi who wrote a brilliant poem titled 'Poppies' and read the poem at the ceremony

Thank you to Emma (Asher's mum) & Stella (Hunter H's mum) for another superb Friday lunch and treat.

Many thanks

**Rural Weddings and Events
Have Your Say**

A Planning Proposal to regulate weddings and events on rural land is on exhibition for a period of 6 weeks from 7 November 2018.

Community workshops will be held around the Shire in November. More details can be found at www.yoursaybyronshire.com.au/functioncentres

The Planning Proposal aims to amend Byron Local Environmental Plan (LEP) 2014. The proposal will provide an assessment mechanism for commercial function centres on land zoned RU2 Rural Landscape. The proposal also seeks to set out a range of controls that will ensure that such commercial function centres do not result in disturbance to adjoining land owners or adverse impacts on rural amenity, farming or areas of high environmental value.

Poppies

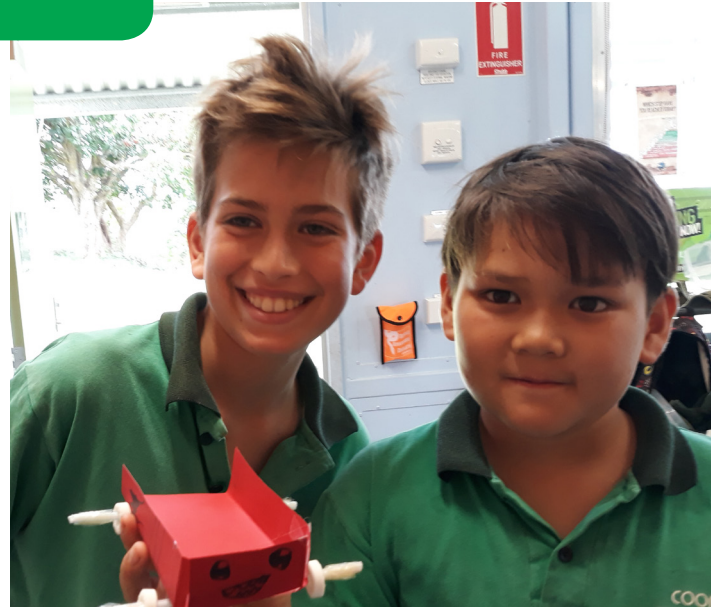

The dead are now none spoken,
To communicate they decided to grow,
A flower that could with-stand the winter and
the snow,
All through the seasons, the poppy flower blooms brightly,
Even in the rough winds, its roots hold tightly,
The dead soldiers are remembered by the poppy flower,
By the unity of the poppy it gives the dead men power,
For when their bodies were shot to the ground,
The lark passing by gave off a beautiful sound,
Laying there on the ground, their hearts broken,
The dead are now none spoken.
