## **PRINCIPAL'S MESSAGE**

Here we are at the end of Term 3, how time has flown!

Big thank you to Crystal and Natasha from School Gymnastics who displayed excellent levels of expertise in our 8 week gymnastic program which the students thoroughly enjoyed. See photos attached.

Huge thank you to Marissa (Tilly & Arlo's mum) who collected Mrs Cottrill's class playground models so they could be on display at the Lismore Regional Gallery. Mr Eason took his daughter, Olivia, to see the displays and said it was great. See photos attached.

In light of the Rugby World Cup 2019 I thought it would be a great opportunity to teach the children the finer points of rugby including correct and safe scrummaging technique. The girls in particular took to scrummaging like ducks to water. Well done kids! See photos attached.

Jesse Blackadder, renowned local author, will once again be visiting Coorabell Public as part of the Storyboard program, an initiative of Byron Writers Festival. The students are looking forward to participating in Jesse's vibrant and informative presentation. Check photo of Mr Keylock's class' harvest that Sebastian has reaped this morning.

The incredible Mrs Ritchie has put in an enormous effort to ensure our students have a memorable experience at the school concert. Thank you Mrs Ritchie! Our staff and students are all preparing

**Packing a scrum - a force to be reckoned with!**

and rehearsing in fine style. Each class will receive a note this week informing parents/carers what students will be require for the gala event.

Have a thoroughly enjoyable and relaxing holiday. See you on Monday the 14th October for what promises to be a busy, exciting and productive final Term.

## **AFTER SCHOOL FUN**

### **A bit about Gretchen and Shorty:**

As passionate kindy parents at the school we decided to take on the after school care on Wednesdays to be able to hopefully retain families at the school as well as connect with as many families and children as possible.

Now a bit about us!

I am passionate about children living their best lives along their unique paths. As a children and family photographer, face painter and teachers aid, I believe creative expression connects all of us. In our after school Wednesdays I am excited to play and introduce the children to creative workshops. I will bring the ideas and supplies and they will bring their unique creativity. I am looking forward to connecting with your children and be inspired by their uniqueness!

Shorty, the local clown in town, is all energy and all FUN! She has been at Circus Arts in Byron for 7 years and has been entertaining children's parties for 8. From circus to kids parties and everything between the children simply gravitate to her. Shorty is excited about getting her hands on the sports shed. She can make a game out of anything and she will!

Looking forward to meeting you all soon! Come and check it out, we start this Wednesday! Oh and we are fully insured ;).

## Playgrounds - Lismore Regional Gallery

Some pics of the Playground's on display at the Playground Festival at Lismore Regional Gallery on Saturday. Tilly and Anouk helped set them up and do any fixing of bits that had come loose during travel. The 'design your own Playground' workshop ran all day and was a huge success! Everyone was very impressed with Coorabell's designs.
