P.B.L.

To Be Considerate,
To Be Positive, To Be Safe,
To Be A Learner

► PRINCIPAL'S MESSAGE

Huge welcome back to the Anderson - Pincott family to Coorabell school community. Saphiera and Athena were very excited to return today.

Mr Eason and his Year 6 students ran a thoroughly enjoyable tabloid sports afternoon for all the Friday kids. Roemi in particular has inspired me to re-establish our whole school Coorabell games tournament when we're all back at school. Each child will be allocated a team. The teams are Humpbacks, Mantarays, Swordfish and Sharks and will compete in friendly physical skill based activities in an attempt to get their hands on the Coorabell cup, which was last awarded to the Mantarays in 2015.

Big welcome back to Saphiera & Athena

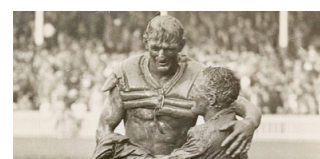

Great to see all the children excited to be back at school even if it was only for one day. The teachers enjoyed the week of catching up with their students. Hopefully it will not be too far in the future when schools are permitted to return to five days a week teaching and learning on-site. We will keep you up to date on any developments in regards to a return date. Don't forget to contact me if you need to send (continued over page)

your child/ren to school for more than your designated day as all extenuating circumstances will be considered.

Thank you to our participants in Coorabell's first ever zoom P&C meeting last Tuesday led by Simon. Technology at its best! This was a particularly productive and enjoyable meeting. I encourage all parents to get involved in any way they can as our P&C remains an incredibly valuable asset to the ongoing wellbeing of the Coorabell School and it's community.

Can I please remind everyone to hand in the Parent Survey that was sent to you (also reattached in this email) by this Friday. I know it is an unusual time to complete this survey but the information gathered is a valuable tool for us to move forward with our school planning and strategic directions for the remainder of 2020. Big thank you to those parents who have already returned their survey.

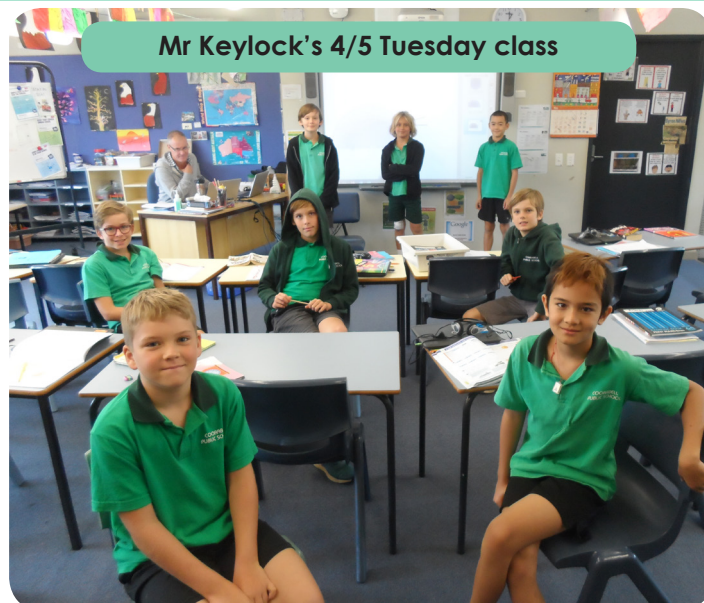

Big thank you once again to Tracey and Cassandra who are doing a wonderful job ensuring that our school is exceptionally clean and hygienic. Cassandra is our additional midday cleaner wiping down all high touch surfaces.

Thank you to all the teachers who are continuing to compile such comprehensive home learning packs. The feedback from the students last week was particularly positive. Mrs Ritchie also lead some really exciting high energy zoom dance lessons with our Year 6 that they thoroughly enjoyed. See photos attached.

Many thanks - Geoff Coghlan
