The teachers are completing a simplified Semester 1 report that will be sent home with your child this week. Huge thank you to our dedicated teachers who have worked diligently to compile the reports with limited face to face time due to COVID19.

Check out the photos of the Story Dog program that is back up and running. Thank you to Lynne, Aaron and Ginger for all their wonderful work inspiring our kids with their reading.

## ► SCHOOL NEWS

### **Tell Them From Me student feedback survey (Term 2, 2020)**

This term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the Tell Them From Me student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used Tell Them From Me to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours on either the 3rd or 4th July. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey is being sent home with students. If you do not want your child or children to participate, please return the form to school tomorrow (30th June, 2020). Copies of the form and FAQs are available from: <http://surveys.cese.nsw.gov.au/information-for-parents>.

The consent form and FAQs are available in 23 languages.

## SCHOOL ART NEWS

Can all students (except Kindy kids) please bring in an oversized T-shirt for their art lessons. This can remain in their bag & be used during art lessons to avoid any paint/ink stains on school shirts.

If your child does come home with paint/ink stains they should be washed in cold water only.

## P & C NEWS

### P&C Update

The P&C are really looking to make the 2nd half of this year as positive and enjoyable as possible and really looking to unite our community. In our last P&C meeting we agreed our priority really needs to be on the students and community and warmly welcome your ideas and input. For example we won't be able to hold a large school fete but can we plan a school focused day of games and event? What ideas do we have to bring parents together. If school excursions are limited can we use our community connections to organise "incursions" which could also help support local people from Artists and Authors through to, gardening, environments, sports, or wellbeing specialists?

We have a meeting planned for Tuesday 30th June at 6pm to be held at the school library – everyone is welcome, if you can't make it but have some suggestions please email us on [coorabellpandc@gmail.com](mailto:coorabellpandc@gmail.com)

Lets come together and make the rest of the year memorable for lots of great reasons.
