PRINCIPAL'S MESSAGE

Welcome back to students and our community to Coorabell School for the second half of the year.

Huge congratulations to Silan who entered Junior MasterChef along with eight thousand other culinary talented contestants. We are well aware of Silan's talents in creative drama, dance and singing but I didn't realise that she also has a creative flair for cooking. In her final audition Silan was interviewed before making homemade squid ink fettucine with a sage and burnt butter sauce with capers, dill, chilli, shallots and lemon and then for dessert, mousse domes on top of a brownie and walnut base with caramel on the inside and a mirror glaze on top. Silan's exquisite skills were recognised as she made the final 100 contestants nationwide. Well done Silan!

Hopefully Term 3 won't be quite as unique as Term 2. One of the main objectives in any school is to return to relative normality as quickly as possible. In light of this, I can say that generally the modifications due to COVID that were in place at the end of Term 2 remain for at least the start of Term 3. Some of the restrictions affecting our school community include no excursions, no formal school assemblies, no parent/carer volunteers or any school based activity that involves large gatherings of adults, school discos, school camps and P&C meetings. Non-essential adults are not permitted on school grounds or at school events which includes parents and carers, except for face to face parent teacher meetings

that are essential eg. to discuss student discipline/welfare matters. Parents are encouraged to contact the school by telephone or email where possible. Teachers are currently looking to schedule parent/carer phone interviews. Unfortunately highly anticipated and celebrated events such as the school concert, P&C fete, VOSS sporting carnivals and the Far North Coast Dance Festival have all been cancelled. However the staff are already looking (continued over page)

QUOTE OF THE WEEK

'Nothing in life is to be feared; it is only to be understood. Now is the time to understand more, so that we may fear less.'

at alternative options such as filming an in-school concert led by Year 6. Additional cleaning and sanitation of the school will continue.

At this stage we are unable to hold our Kindergarten orientation program in Term 3 but hopefully this may change by Term 4.

Activities that are allowed to recommence or continue include incursions, music tuition (including Stukulele), sports skills development programs (including gymnastics), Life Education and school photos.

Fortunately Shorty and Gretchen are back and commence after school tomorrow. The only change is that parents are asked to collect children at the top of the step in the carpark outside the library. Please see flyer attached.

Congratulations also to Simon and Shorty who have been elected as P&C President and Vice President respectively. We love your work!

ICAS is back in 2020 and is now on-line and you should have received information at the end of last Term for those interested in entering. All payments are now made on-line and we have just been advised they have extended the payment date to the 2nd August.

Gymnastics starts Friday Week 2 as does Ukulele. Reading Dogs and Guy (music tuition) are back today. School Photos are on in Week 3, Wednesday 5th August, so please place your orders ASAP – see flyer attached.

Our end of Term mufti day raised \$57.65 for our sister school, The Mahera Academy in Kenya and a massive thank you once again to the unstoppable Susan (Monty and Reggie's mum) and Gretchen (Brays' mum) for putting on another absolutely incredible Friday lunch and treat to celebrate the end of Term.

Many thanks

Geoff Coghlan

NO Friday Assemblies until further notice due to departmental COVID restrictions
