PRINCIPAL'S MESSAGE

Huge congratulations and thank you to our mighty SASS staff Jenny M, Karen, Ann, Bill and Jenny G as last week was SASS (School Administration and Support Staff) Recognition Week. This dynamic team do an absolutely wonderful job holding the school together in their individual roles that are often understated. Last Thursday our staff held a special morning tea in recognition of our SASS staff and also our Year 6 students made cards for them which was greatly appreciated (see some samples included, available at time of printing.)

It has come to my attention that senior students are choosing not to adhere to our school uniform guidelines. As a proud advocate of public schooling, can I please ask all parents and the wider school community to encourage the wearing of the correct school uniform. I realise that some schools are very lenient in regards to school uniforms but I would never condone Coorabell PS becoming a school where financial or fashion inequity is on display. School uniforms foster pride in the school, assist in the development and maintenance of school image and good conduct. Uniforms promote equity for all.

I realise that there may be extenuating circumstances where wearing the school uniform is not possible and by no means would I ever punish a child for these exceptions. In this situation, we will provide the student with a second hand school uniform for the day.

Thank you School Admin Staff (SAS)

I have always promoted some level of individuality in regards to shoes, socks, jewellery and hair colour, however basic school uniform is something that I will always strongly promote.

The Coorabell P&C supply the uniforms for the school and these are available from the school office each morning between 8.45 to 9.15 am. Coorabell School Uniform consists of:

Girls: green checked dress or green or black

SCHOOL OFFICE INFORMATION

The school office is open for student/parent assistance from **8.45am** till **3.15pm** every day. If you need assistance outside of these times please make prior arrangements.

You can purchase uniforms at any time during office hours however it would be helpful if this could be done on a Tuesday & Wednesday morning when both Jenny & Karen are in the office. We understand this time slot is not always possible for every family.

If there is a change to your child's routine please ensure a note is forwarded on the day. **Phone calls on the day should be a last resort** as office staff may not be able to answer the phone whilst attending to children's immediate needs.

Please remember that children's permission notes/money should be sent with your child and placed in their class notes/money box each morning not to the school office.

To avoid any last minute rush, it is extremely important to ensure permission notes are sent in before excursions and not on the day of excursions. Remember on-line payments are available.

THANKS FOR HELPING US OUT :)

Dear Mrs Moore, *Leah*

You are the one that keeps Coorabell's big heart together,
Your exquisite personality is as light as a feather,
This helps us grow bigger and bigger,
Thanks to you, we've pulled the trigger,
Happiness and sadness have discombobulated my mind,
Next year I'll never forget the sweet vision of you behind,
I'll remember you, even when I'm eleven years,
As next year I'll be in year seven,
Thank you for everything and all,
Coorabell needs you Mrs Moore!

A Quick Bite ...

5 Tips to Help With Screen Time at Home

Are you having trouble getting your child off technology
or watching television?

Try some of these ideas
to reduce the amount of
screen time your child
has each day:

- Go screen free for weekdays
- Try technology free Tuesdays
- Try imagination Wednesdays
- Restrict times on when your child has access such as "no screen time before dinner"
- Provide seven ½ hour vouchers on a Friday afternoon to last for the week. When your child watches the television, or plays on the computer they hand a voucher back. This limits the child to 3 1/2 hours of screen time over a week.

▶ CLASS NEWS

Each Friday, Kindergarten and Year 1 undertake STEM (Science, Technology, Engineering and Maths) challenges. The students are learning valuable resilience and teamwork skills, while they have lots of fun! So far we have built vehicles, rafts that had to hold a cup of coins and last Friday we built cup pyramids without touching the cups!
