## PRINCIPAL'S MESSAGE

Years 1, 2 & 3 had so much fun at the pool in Mullumbimby last Friday having a swim and playing on the Inflatable equipment. It was such a great day to be in the pool and we were having so much fun that we forgot to take photos! Thanks to Jade (Maya's mum), Mia (Alice's mum) and Suriyo (Alife's dad) for helping supervise.

We always welcome and encourage parents to keep in touch with our teachers about any issues that may arise at school with your children. We strongly suggest and encourage you to make an appointment if you need to discuss anything with your child's teacher. Teachers are often very busy in the mornings setting up for the day and may not be able to give you their full attention. You can call the office or email your child's teacher directly to make a time that suits you both.

I'd like to congratulate all students in years 3 & 5 for completing NAPLAN this week and last. Students completed the Writing and Reading modules last week and the Language Conventions and Numeracy wraps up the testing today and tomorrow.

Congratulations to Luka and Maddy for competing at the North Coast Swimming Carnival held at Alstonville last week. Well done!

Well done at swimming Maddy and Luka!

Miles and Ollie have done an amazing job of successfully making it into the NSW PSSA Tennis Tournament to be held in Albury NSW. This competition is an expensive trip, so if you would like to help the boys in their endeavour to compete in this elite competition, please go along to the Bangalow Bowlo and buy a few raffle tickets to help the boys make it to Albury. (see information overleaf)

Thank you to Polly (Charlie, Louis & Oliver's mum) and Diane (Luka & Flynn's mum) for a delicious lunch on Friday.

Have a great week,

Lisa vanKempen (Assistant Principal)

**SCHOOL NEWS**

For Aurelie's news last week, she brought in two white Dalias and put them in two different containers of water. She added blue food colouring to one container and green in the other.

Kindergarten made some predictions on Friday as to what might happen to each of the flowers..?? On Monday the students were delighted to see the change in the flowers, the white flower petals in the blue water turned blue and the petals of the white flower in the green water turned green. We then talked about why this happens.. Thank you Aurelie!

**Don't forget to update your child's bus routine for 2023, otherwise we will use the routine as advised in 2022 - thank you.**

BANGALOW TENNIS CLUB

Ollie and Miles are 10 year old twins who have lived in Bangalow for most of their lives. Having found a passion for tennis

they are dedicated and they train hard to continually improve themselves. They are often seen on the Bangalow courts hitting balls early before school.

In 2022 they both played in the Under 10's regional league and qualified for final playoffs in Grafton. Ollie progressed through to make the State Finals in Sydney where he finished an impressive 13th.

After three tough regional qualifying rounds this year, they have both been selected to join an elite team of 5 boys and 5 girls to represent the North Coast Primary Schools region (covering Taree to Tweed Heads), in the NSW State Primary School Tennis Finals to be held over 4 days at the prestigious grass courts of the Albury Tennis Association from 08-11 May.

This is an expensive trip for one child, let alone twins, so the Bangalow Tennis Club is looking to provide some financial support with the tournament entry fees, accommodation and travel costs for the boys.

We would like to encourage you all to come along to the Bangalow Bowlo on Friday 24th March from 5.30pm where we will be selling raffle tickets to raise funds for Ollie and Miles to realise their dreams and compete in the State Finals. The tennis club will match whatever funds we raise on the night. Ollie and Miles will be there on the night to help us sell the raffle tickets, so come down, say hello and wish them well. If you can't make it to the Bowlo, but would still like to make a donation please make a deposit to:
